The Polldaddy Polls and Ratings plugin allows you to create and manage polls and ratings from within your WordPress dashboard. You can create polls, choose from 20 different styles for your polls, and view all results for your polls as they come in. All Polldaddy polls are fully customizable, you can set a close date for your poll, create multiple choice polls, choose whether to display the results or keep them private. You can also create your own custom style for your poll.
