The Pop-up+ Magento extension is a great solution for those who want their visitors to be aware of all hot stuff. The popup window can be displayed on any page. Just load the image and create a popup and that's all - the Pop-up+ extension puts the content of your proposal in a chosen place with background-fading effect, accenting your offer. The Pop-up+ module offers you a perfect opportunity to notify your customers on all significant events by means of a popup window.
