

# PostEcards

|                       |                        |
|-----------------------|------------------------|
| <b>Address</b>        | {value_address}        |
| <b>Contact Person</b> | {value_contact_person} |
| <b>Mobile Number</b>  | {value_mobile_number}  |
| <b>Email</b>          | {value_email}          |

PostEcards is a simple postcard application that allows you to easily add a postcard app to your site. An admin is included to allow you to upload pictures, create categories, etc. Nothing fancy, certainly not Hallmark quality, but a great way to have visitors coming back to your site over and over again.
