PostEcards

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

PostEcards is a simple postcard application that allows you to easily add a postcard app to your site. An admin is included to allow you to upload pictures, create categories, etc. Nothing fancy, certainly not Hallmark quality, but a great way to have visitors coming back to your site over and over again.
