

PostSwitch – Wordpress posts and pages switcher

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

PostSwitch is a wordpress plugin for administration of posts and pages. It allows you to switch from one page/post to another very quickly and faster while you are on one page/post. This plugin saves you time and free you from the repetitions of going back and forth to access another page/post.
