

# Pro Top Sites

|                       |                        |
|-----------------------|------------------------|
| <b>Address</b>        | {value_address}        |
| <b>Contact Person</b> | {value_contact_person} |
| <b>Mobile Number</b>  | {value_mobile_number}  |
| <b>Email</b>          | {value_email}          |

Pro Top Sites is a program which works like a poll system. It lets a webmaster sign up and receive a special URL which he/she will put on their website. Then, whoever clicks on that link/banner linked to that special URL will generate one vote for that site. The more votes the site gets, the higher it is ranked among other sites.
