

Product Matrix for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Creation and management of configurable products in Magento is very time-consuming. Product Matrix extension for Magento enables Admin to create and edit configurable products with two attributes in a convenient matrix form, where Admin can specify configuration for each simple associated product. This is a must-have extension that will save you a lot of time and effort. Full list of features is available at the [product page](#).
