

Product Units and Quantities

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Customize the way your customers deal with product quantities and units. Introduce measuring units that match the type of product(s) you sell, define the possible batches the product can be sold in, and make it easy for your customers to order more with new convenient dropdowns, buttons or sliders. More info available on the product page
