

Pulldown Menu (Description)

| | |
|-----------------------|------------------------|
| Address | {value_address} |
| Contact Person | {value_contact_person} |
| Mobile Number | {value_mobile_number} |
| Email | {value_email} |

If you have plenty of space on you webpage or just would like to use a more comprehensive menu list, then this script might suit you nicely. This script allows you to select a link from a scrolling text box and then displays a message concerning the link. It sends you off to the destination once you click on 'Go' button.
