QuestionManager

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This program is specifically designed for web masters and web site management/support personnel. The aim of this program is to automate many of the redundant tasks you must perform, thereby freeing up your time for more cost effective/cash generating endeavors. Features include: forwarding, unlimited answer templates, and admin control panel.
