

Quick Copy

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Copy files from one directory and place them in another directory. Upon execution (from a browser), a form will be presented. Just key in the path of the source directory (you may use * for all files or *.txt for certain files) and the path of the destination directory.
