

Quick File Rename

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Quick File Rename is a fully featured batch file and folder (2-in-1!) renaming utility that is both easy to use and has advanced features such as Undo, Real-time Preview, instant rename by dragging and dropping, DOS 8.3 file convert, file rename using wildcards, file mask, mixed case rename, updating of time stamps, enumeration, MP3 id3 v1 tagging and many more. It also supports international characters, the ONLY renaming application to do so!
