Quiet Count

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Quiet Count allows you to discreetly compile usage statistics for your site without displaying the results for the world to see. It can automatically EMail the previous days' results to you, and the included utility can compile monthly results for online display or into a TAB-delimited data file for export into a spreadsheet. Does not require SSI.
