Email	{value_email}

Quiz Manager is an easy-to-install, easy-to-administer mini-quiz/contest management software to automating your activity of adding quizes into your site. Once you set the times to run the voting, you can place the form as a dynamic server side include to your main page and it will know when to start a quiz campaign and when to end. It also has built in IP and cookie checking. Supports web-based easy installation.
