Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Easily manage customer / client quotes and display them on your web site to gain new customers. Features include custom fields, random quotes, submission and admin approval of new quotes, and a browser-based administration area to manage the whole process. Great too for any text/html you want to randomly display or have posted to your web site.
