

# Reciprocal link checking tool

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This tool helps you ensure that your link partners are linking back to your website. It also determines the anchor text used by your link partners to link to your website. This tool allows you to easily keep a log of who is linking to your site. It is difficult to monitor each page that links to you, but with this tool, all is made much simpler.
