<b>Email</b>	{value_email}

epoq offers an intelligent, self-learning Recommendation Service (RS) for web shops that increase sales by up to 15% through efficient management of cross selling, increase of conversion rates and increased customer satisfaction. The quick and easy integration of epoq RS makes your Magento Online-Shop sell more within a short time. It is not necessary to upload and update your product data and there is no need to connect epoq RS to any internal systems: all available information -
