Your customers can certainly be your best brand ambassadors. The Refer a Friend Magento extension from aheadWorks Co. helps you benefit from a combination of viral and affiliate marketing (without launching a conventional affiliate program!). It stimulates your customers to invite their friends to your store. This is how it works... Your customers refer their friends to your store and get a percentage or flat discount on their own purchase – while you get more customers and greater revenues! The popularity of this Magento extension since its launch bears testimony to the uniqueness and usefulness of this application. With a series of major enhancements rolled out recently, there are more reasons for Refer a Friend module to be a 'must-have' application.
