

Refer A Friend FREE Script

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script will allow your visitors to refer your web site to a friend. Includes custom colors, referral message and e-mail address log to collect email addresses for a mailing list. After referral, they are sent to a confirmation page and then redirected to your home page. Easy setup and integration into your site using your site colors, fonts, etc. Step by step instructions for set-up and use of this program.
