<b>Email</b>	{value_email}

Welcome to Restaurant Biller, the online restaurant ordering system for small to large businesses. More and more people are going online to search for food in their area rather than using the yellow pages. Restaurant Biller created an online solution for those restaurants to have an online menu where customers can place orders. Easy AJAX powered checkout system Receive the orders directly through email within 30 seconds of placed order Easy customization for those who want to modify their site Modify your home page directly from a control panel Add Edit and delete categories to your menu Add Edit and delete menu items with extended features Each site has a contact us page for customer questions Edit the hours you would like your online store open Add an addition cost for delivery, tax prices or order processing fees Pizza builder Newsletter system Free updates
