

RMA

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Our RMA extension provides the highest standards of customer service. It is an efficient method of controlling the return or exchange of items sold to customers, ensuring visibility, and tracking of the item until the transaction is concluded. With this add-on from aheadWorks Co., you get not only RMA functionality but also a bulk of other powerful features.
