Roboform 6.5.7

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

RoboForm memorizes and securely stores your online and offline passwords, so you will never forget them again. It automatically logs you into online accounts and completes online registration and checkout forms with one click. RoboForm gives your passwords and other personal data security (strong encryption provided), portability, and complete manageability. Passwords can be printed, copied to another computer, backed up, and restored.
