

SalesDoubler

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

SalesDoubler is a self replicating advertising system that hires, spreads and keeps track of your Advertisers/Dealers and their sales. It also automatically calculates commissions for your Dealers each time after someone buys your product or service from your site through them. Administrator's side of the system lets you review and manage any dealer's account. It also gives an opportunity to every one of your dealers to come and review their account's statistics and sales anytime.
