SAML Single Sign On Magento Extension - Sixto Martin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

If you are working with a partner that has implemented a SAML identity provider (OneLogin, Okta, Ping Identity, ADFS, Salesforce, SharePoint...), you can use this extension to interoperate with it, thereby enabling SSO for customers. Please note that the module was implemented by Sixto Martin, author of 15+ SAML plugins and several SAML toolkits. Support by mail guaranteed. Get a reply in less than 48h (business day).
