

Search Maps (for Inout Search Engine)

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Maps addon is another popular search engine addon from Inoutscripts which helps you to enable a visual map search service from your Inout Search Engine. It uses Google Map API key, which you may configure in your search engine admin area. The maps addon also shows the driving directions to your users.
