

Self Scoring Questionare

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is a simple "self scoring" questionare. Three questions are asked. Each question has a value of between 1-3. The points are added together giving a score of bewtween 3-9. The text message matching this score is looked up on a table of text messages, and is printed back to the users browser.
