Follow Up Postie Sequential Autoresponder is a multimedia double opt-in responder. Professional, autoresponder addresses are for professionalism. Unlimited Message Changes Change, update or edit your autoresponder email messages whenever you want, 24 hours a day. Advanced Personalization. Confirmed Double Opt-in You may switch your autoresponders to double opt-in mode, so that your subscribers must confirm their intention to subscribe before they are added. With the CAN SPAM Law, you need all the protection you can get! (If you transfer a list from another autoresponder service or software - your list does not have to click a confirm link again, as you can switch the opt-in mode off while you transfer / import your existing list). Spam Complaints Protection IP address and subscription date / time recorded for all form-based subscriptions. Manual Broadcast Broadcast an email ('a manual follow-up') to your mailing list. And much more...
