shopper comparer™ is a free script dedicated to helping your visitors find the products they want to purchase--fast and efficiently. With this script, you will be able to set up a completely custumizable homepage (where you can put ads, links & other relevant information) for you visitors to view everytime they use shopper comparer™. Currently, there are four shopping sites (Amazon, eBay, Froogle, & $hop) that shopper comparer™ uses to provide your visitors with shopping products quickly.
