Mobile Number	{value_mobile_number}
Email	{value_email}

ShopZone Professional is a completely self-contained ecommerce solution including everything you need with the software, database, cart and payment processing functions. Easy installation, simple site creation using editable HTML style templates, highly customizable, scalable, complete staging and testing on your local PC, and an easy-to-use administration utility are among the many features that make ShopZone Professional the preferred store for serious ecommerce. Includes the complete script source to your ShopZone online store.
