ShoutCloud - Flexible PHP/AJAX Shoutbox/Chat

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

It requires no MYSQL database and the flat files used are automatically created! Extremely simple to add to any existing website. ShoutCloud was built to flex within the container that you place it, so all the sizing is done automatically. The massive amount of features that ShoutCloud supplies will keep you feeling satisfied.
