

Smart Guest Book - ASP & Flash Guest-Book

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This Flash & ASP Guest-Book has interactive, animated & multiple entry display interface choices, password-protected browser-based complete administration panel, active bad word filter. Easy to install & customize. Uses SQL Server or Access database. Free Download Version available. Fantastic load time due to highly optimized code and small Flash file size. Cross Browser Compatible, works well in both Netscape (4+) & IE (5+). Comments field can accept HTML text. JavaScript validation for fields.
