Smart Links by Allembru

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Just install the Smart Links by Allembru Wordpress plugin, add your links to the plugin, and it will do the rest. Smart Links can also display additional information when a user hovers over a Smart Link with our new Advanced Tooltips. This optional feature allows you to assign a title, description, and even a small image to be displayed in a sleek Advanced Tooltip.
