

Social Content Locker

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Social Content Locker is the plugin that allows to lock part of your post/page. User must like or share your page on major social networks (Facebook, Google Plus or Twitter) to view the content. Tap into billion users (Facebook + Google Plus + Twitter) with the Social Content Locker plugin. Social Content Locker will allow you to add thousands of fans to your WordPress site on Facebook, Google Plus or Twitter with almost no work. And of course you know, more fans is more traffic. The best plugin of its kind it allows you to wrap your post content in a "Social Content Locker" that will require the user to like the post to view the content. Build a social media super presence over night by locking all, or just parts of your posts!
