

Social Tab Addon (for Inout Search Engine)

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Now combine all of your favorite social networks profiles & feeds together under one tab. You need not login to these sites to get your feeds, just provide username or userid and get your feeds instantly in your search engine with this Social Tab addon. This is very easy to integrate in any of our script, not just search engine and is fully manageable from the admin area. Comes with flexible positioning, easy styling of tabs with color pickers and much more.
