

Social Toolbar Pro

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Social Toolbar will display your latest tweet, list your social networking profiles, and allow users to "Like" your page on Facebook or tweet about it on Twitter, Google+, PIN IT and more! This plugin is also heavily changeable. You can specify all the colors and fonts, and rearrange your list of social network icons to your desire. Display it on the whole site or just the home page or just the blog or even just an individual page. And Much more!
