Star Rating for Reviews

Address   {value_address}

Contact Person   {value_contact_person}

Mobile Number   {value_mobile_number}

Email   {value_email}

Star Rating for Reviews is a simple WordPress plugin that inserts pretty rating stars based on the score you assign using intuitive, inline [rating:] tags. It can also calculate and output overall ratings for you based on all previous scores you have assigned, useful for reviews that have multiple categories or an album review where each track is assigned a score.
