Stock Market Ticker is the perfect scrolling desktop ticker tape that you can monitor in real-time stock quotes from Yahoo Financial section. Our ticker software displays eye-catching led display that you can customize as you want. To test for free our program, you can download free demo version. Main Features: - add/remove STOCK SYMBOLS - custom COLORS for all items - custom SIZES for dots and spacing - always on-top, custom position and size - simple and intuitive operation What this software does: - updates last and change quote values for the list of symbols you specify - rotates symbols continuously but stops when mouse is over and also supports dragging of the ticker tape
