

TalkBack

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

TalkBack gives your users an opportunity to air their views in a section on your website. Users are given a chance to respond online to a list of articles. The scripts allows you to easily incorporate it into the look and feel of your existing website by the use of simple HTML template files.
