Offer your website visitors and regulars an engrossing version of the popular casino game Keno without the monetary risk. TD Keno updates and tracks users scores and uses true casino Keno odds. Users login via their email so you could also use the script to gather email addresses for an opt-in mail list. Includes security precautions to stop offsite running of the script. Players can choose from 1 to 15 spots and play virtually an unlimited number of multi-race Keno games. The registered version includes a number of configurable features.
