

## Tell A Friend Script

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This script allows your visitors to recommend your website. Both HTML layout and e-mail layout are template driven and customizable. You are also able to send the e-mails in HTML and text format. This script also includes several security features to prevent abuse by spammers. The recommendation message can be previewed by the visitor and after sending the e-mail the visitor can be redirected to the referring page or to a special thanks page.
