Tell A Friend Script

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This Tell A Friend Script is a great viral marketing tool. This script allows for users to specify a quick note to their friend, a super easy installation, an easily customizable message to be sent, and shows a link back to the exact page the visitor was at when they submitted the tell a friend script form.
