Testimonial rotator for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This extension allows customers to summit testimonials easily and helps admin to manage the number of words, avoid spam and display testimonials the best way with many special effects. The submitted testimonial is in disable status and the admin should approve by enabling it. The admin can add, approve, modify and delete a testimonial. The approved testimonials will be displayed in scroller on sidebar or in testimonial list.
