

TextAds - Sell text advertisements

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Increase your website revenue by selling text advertisement spots on your website. TextAds is a fully automated, impression based text advertisement system. It includes client and administrative control panels and supports Paypal (client) billing. Our easy installation will have most users up and running quickly. Customization is also quite easy, even for the non-programmer. Many additional features are yours as well with TextAds, please come check them out at our website. Live demonstrations available.
