MyReviewPlugin is a WordPress plugin that makes it exceptionally easy to create very advanced powerful affiliate review sites in less than 20 minutes. Its designed to be incredibly easy to use and allow you to configure all aspects of your website - including its look and feel - from within the administration area. Visitors will be able to add star ratings to their comments, and editor's will be able to post their own reviews. You can create comparison tables, embed affiliate links, and generally create high-converting affiliate review sites. MyReviewPlugin is the most search engine friendly review plugin available, supporting microformats and generating very clean HTML. Furthermore, MyRP comes with 3 bonus plugins - the Link Man, Comment Man and Import Man, which allow you to easily import data, generate reviews and create clean looking masked links on the fly.
