The JavaScript Anthology: 101 Essential Tips, Tricks & Hacks provides you with tried and tested real-world solutions to your web scripting problems. This is the most complete question-and-answer book on JavaScript. It's a collection of over 100 thoroughly-tested, customizable and elegant solutions that will show you how to add usable and accessible interactivity to your site: from slick drop-down menus, to style sheet switchers, to AJAX applications, and much more.
