

Ticker Applets

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Highly configurable Flash 7 ticker tape applets for your website. Set over a dozen options via an external XML file, with no limit on the number of links possible in the ticker. Ticker links are easily configurable using an external XML file. There is no limit to the number of links that you can add. Each ticker applet has several configuration options available, like color and font properties. These can be changed quite easily with any good text editor.
