Time Fencer

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Time Fencer automates much of the time tracking workload. Time Fencer resides in the system tray, out of the way. It reminds the user to record what was worked on. A few clicks and the activity is recorded. This allows the professional to do what is important; adding value to the company. Captures real billable hours Integrates time capture into the professional's work Easy to install
