

Time Served

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This applet will display how much time has passed since a certain date. Unlike most applets of this type, this program displays the time in a more human understandable format - Years, months, days, hours, minutes, seconds, rather than just days, hours, minutes, seconds.
