Tipue drop is a search suggestion box, influenced by the Quick Links dropdown on apple.com. It's free, compact and easy to include on your site. Tipue drop is written in JavaScript and CSS 2.1/3 and works with all modern browsers. It can work as a suggestion box for an existing site search or as a stand-alone site search engine. Tipue drop is free for both commercial and non-commercial use and released under the MIT License.
