Trackback Submitter is powerful, easy to use, all-in-one links submitting software which helps get your site indexed fast and increase targeted traffic by submitting backlinks to thousands of blogs related to your website. Trackback Submitter is an ideal solution for increasing earnings from your AdSense or affiliate programs based website dramatically. Compare to other website promotion software, Trackback Submitter has much more settings you can customize, works with standard and SOCKS proxy servers, supports all blogging scripts available on the Internet today, and is 100% automated. So easy to use and faster than any similar software - it requires just 2 minutes to install and setup website promotion campaign.
